On Valentine's Day, why settle for the moon
when you can offer cloud nine!

Fireworks heavyweights coming to Montréal!

Montréal, Wednesday, February 10, 2010 – Starting June 12, companies that have won awards all over the world will come to Montréal as part of L'International des Feux Loto-Québec presented by TELUS, the world's leading fireworks competition. Announcing the competitors' roster just a few days shy of Valentine's Day is a good reminder that a pair of tickets for reserved seats at La Ronde is an excellent and original gift idea!

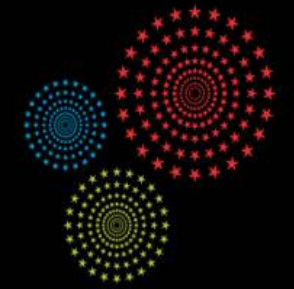

Among the participants, there will be a competitor from Poland – a first in the history of the event. The honour of representing Chopin's homeland belongs to Surex, a company that won the "public's choice" award last year at Festival d'art pyrotechnique de Cannes.

Other competitors this year include: representing Taiwan, San Tai Pyrotechnics (Bronze Jupiter in 2001); Italy, Pirotecnica Soldi (Bronze Jupiter in 1995); Portugal, Macedos Pirotecnia (participated in the Montréal event in 2006); the United States, Western Enterprises USA (first time); Canada, Fireworks Spectaculars Canada (participated in 2007); Sweden, Göteborgs FyrverkeriFabrik (participated in 2005); and, finally, France, BREZAC Artifices (Silver Jupiter in 2006).

Tribute to Céline Dion

In conjunction with La Ronde, the Fiatlux-Ampleman Group will design the *Feu des étoiles* pyrotechnical show, a dazzling display that will complement the annual competition and pay tribute to the brightest stars and their work. On July 10, 2010, mid-way through the competition, La Ronde and L'International will offer Céline Dion and her fans a 30-minute fireworks display set to her greatest hits, both in French and in English. The show will feature highlights from the Quebec star's exceptional career, just months short of its 30th anniversary.

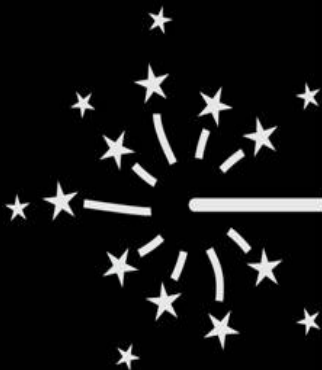

Fireworks fans are invited to get their tickets now for what promises to be an outstanding competition. As a new feature this year, tickets are \$5 off if purchased in pre-sale up to 14 days before each pyromusical show.
